Group hours of work Averaging Agreement

1. The employees listed on Part A attached (“Employees”) and **Jim’s Electric (2006) Ltd / of 143 Southwest Dr SW, Medicine Hat, AB, T1A 8E8** (“Employer”) have agreed to enter into an hours of work averaging agreement which commences on **Feb 25, 2019** and ends on **Dec 31, 2020**¹
2. The Employer and the Employees (the “Parties”) agree that, at the time this agreement was formed, a majority of the Employees agreed to enter into this agreement.
3. The Parties acknowledge that any new employees will be bound by this agreement if the description of the group of employees listed in Part A applies to them.
4. The Parties agree that the number of weeks over which the Employees’ hours of work will be averaged is **12 weeks**.²
5. The Employment Standards Code states that the work week runs from midnight on Saturday to midnight on the following Saturday unless the employer has established a different 7 day period as the work week by consistent practice. The Parties acknowledge and agree that the work week is to **Sunday to Saturday**.
6. The Parties acknowledge and agree that the Employees’ work schedule, as required by the Employment Standards Code and regulations, as amended, is attached to this agreement as “Appendix A.”
7. The Parties agree that the Employer shall provide, and the Employees shall take, overtime pay or, subject to clause 8, time off instead of overtime pay for overtime hours. Overtime hours are the greater of hours worked in excess of:
 - a. 8 hours per work day (if less than 8 hours were scheduled on that work day) or, the scheduled hours per work day (if 8 or more hours were scheduled on that work day); and
 - b. an average of 44 hours per work week in the averaging period.
8. The Parties acknowledge that a group or individual overtime agreement(s), as the case may be, must be separately entered into where the Employer provides time off with pay instead of overtime pay to the Employees or some of the Employees.
9. The Parties acknowledge that, from time to time, the Employer may make temporary changes to an Employee’s work schedule that were not requested by the Employee as long as two weeks’ notice of the change is provided to the Employee. The Parties acknowledge that if less notice is provided, any hours exceeding 8 hours per work day that were not set out in the Employee’s current work schedule are overtime hours. The Parties acknowledge that notice is not required where an accident has occurred, urgent work is necessary, or other unforeseen or unpreventable circumstances have occurred. The Parties acknowledge that a change to the current work schedule in respect to one employee does not trigger this rule with respect to other employees.
